

To portray the status of higher education in the country, the Ministry of Human Resource Development has endeavored to conduct an annual web-based **All India Survey on Higher Education (AISHE)** since 2010-11. The survey covers all the Institutions in the country engaged in imparting higher education. Data is being collected on several parameters such as teachers, student enrollment, programs, examination results, education finance and infrastructure. Indicators of educational development such as Institution Density, Gross Enrollment Ratio, Pupil-teacher ratio, Gender Parity Index, Per Student Expenditure will also be calculated from the data collected through AISHE. These are useful in making informed policy decisions and research for development of the education sector. **SAMADHAN COLLEGE, BEMETARA CHHATTISGARH** has also constituted 'All India Survey on Higher Education" cell in the year 2012-13 to perform the above survey related task for the college. To execute and monitor the task of collecting data related to Teachers/ students/ enrollment/ results/ financial/infrastructure/hostels from various departments/ offices, a Nodal Officer has been appointed by the college. The Nodal Officer shall pursue the task of collecting data, process the relevant data and then upload the same on the AISHE portal in the form of the **Data capture Form (DCF)** every year.
